Overview

The San Manuel Casino has 32 tables in a non-smoking, fully enclosed room next to the sports bar and restaurant. Around the first of the year (Jan 08), the room will be renovated and expanded to include 60 tables. The room offers a variety of ring games but no tournaments as of Aug 07.

The tables (autosufflers) and chairs (fixed leg) are in great shape. Seven flatscreens are located around the room and are easily visible from each table. There's an ATM inside the poker room. Food service is available tableside.
