**Overview**

The Orleans has a huge 35-table, non-smoking poker room that offers plenty of lower limit action. It's not nearly as plush as some of the other rooms on the Strip--no flat screen TVs, cheaper tables, more "local" competition--but it's very clean and well run. Games offered include those listed at the right and, when demand warrants, higher limit games. Weekend wait times are 15 minutes.

The Orleans offers good daily tournaments at 12 noon and 7p and is one of the few places that offers a regular Omaha tournament. The room also hosts the Orleans Open Poker series which is typically held during the World Series of Poker. There's a full range of lower buy-in tournaments if the crowd at the WSOP has you burned out.

Cocktail service is available tableside and very responsive. There's a player comp card (\$1.25/hr for the first 4 hours, 50c/hour thereafter)

Note: although this is a "non-smoking" room, smoking is allowed between 3a and 9a.
