Overview

The new, spacious PH poker room is now open with 12 tables of poker action and 2 Chinese poker/heads up tables. The tables and chairs (swivel, up, down) are new and will be fitted with auto-shufflers when the renovation is complete. Within a month or so, the room will have two 65-inch, a huge 103-inch and six 42-inch Panasonic plasma screens.

Daily tournaments are offered at 10a, 2p, 7p and 2a. Players get 4000 chips and 20 min levels. It is not a rebuy, but players can re-enter within the first hour. Tournaments average 70-80 entrants. As of July 6, there will be a new tournament structure implemented.

Michael "The Grinder" Mizrachi is now affiliated with the PH poker room and a Chinese poker tournament will held July 5. The room also has a high hand jackpot, and comps are given at the discretion of the poker room management.
