**Overview**

The Hilton's poker room is located right near their great sports book and close to the buffet. It's not a large room -- with only 11 tables -- but on the positive side it is fairly quiet and we found the competition to be relatively soft.

If you're looking for middle or high limit action this room is not for you. If you enjoy playing in lower limit games such as \$1/2 NL or \$3/6 limit you should have no trouble finding a good game. We played the room quite a few times and usually found about half the tables in use. On the plus side there was plenty of room to move about and the wait times were short.

All of the tables have auto-shufflers, there are plenty of plasma screens on the walls and we found dealers to be experienced and friendly. Management is also very attentive and professional.

**Tournaments**

The poker room offers a weekly \$150+20 buy-in NL poker tournament on Saturday mornings and a \$20k freeroll tournament on the first Wednesday of each month. Players with 40 hours per month in the room automatically qualify.
