Glory of Rome

<p><b>Overview</b></p> <p>Caesars Indiana has a 33 table room that's considered one of the best in the region. The room spreads a variety of limit and NL and tournaments several times per week; see the range of games above. On Wed and Fri, the room spreads a pot limit Omaha game that plays very big; it has a 10/10/25 blind structure and \$10k pots are common.</p> <p>The rake on limit games is 10% (\$5 max) and most games have a \$1 bad beat jackpot. All NL and PL games are charge \$6 per half hour. Caesars dealers are efficient and friendly; they keep their own tips so they have an incentive to keep playing moving. About half of the ring game tables have auto-shufflers; none of the tournament tables do.</p> <p>Current promotions include \$100 if you get pocket aces cracked. The room is not currently tracking play, but players can recieve a \$6 food comp by asking.</p> <p>From the company website:</p> <p>Visit the newest jewel in the Empire&amp;mdash;Caesars Indiana, the premier midwest casino destination resort. Located just fifteen minutes from Louisv</p>
